APPLICATION FOR MASTER THESIS PROJECT

in the Postgraduate Programme Renewable Energy (PPRE)

Herewith Mr./Mrs. Alejandro (First name) Rubio (Last name), born on 06.06.1990 in Honduras (date and place), fully registered student in the Postgraduate Programme Renewable Energy since October 2017, applies for the official admission to the master thesis project with the title

"Determination of the required Power Response of Inverters to provide fast Frequency Support in Power Systems with low Synchronous Inertia"

according to §21 of the regulations of the modified Examination Regulation for Master Courses at the University of Oldenburg, Faculty for Mathematics and Natural Sciences from 03.07.2018.

Mr./Ms. Prof. Dr. Carsten Agert (Title, Name) will be acting as first acad. supervisor/examiner for the university.

Mr./Ms. Dr. Stefan Geißendörfer (Title, Name) will be acting as second examiner.

I declare that earlier I did not irrevocably fail a Master's dissertation examination or part of such an examination or another examination in the same subject, taken at a university or an equivalent institute of higher education in the Federal Republic of Germany or within Europe, and that I am fully aware of the examination procedure.
